The Committee, consisting of T. C. Young, B. H. Boyer, R. Gleasing, H. Manley and A. Wulfer, appointed by the Commercial Club to assist the farmers in the great St. Francois County Round Up instigated by Farm Adviser Terrill, met last night with representatives from the Farm Bureau, and discussed ways and means for promoting and financing the affair. It is understood that this is to take the place of the County Fair, next fall, and while there is a little rivalry among some of the towns just where it will be held, Farmington is almost sure to win first place. The Round Up is free for all, and while this will make the financial part a little heavy, the co-operation of the farmers and business men of the town will make it a sure success.

Birthday Celebration
On May 11th Mrs. E. A. Ferguson near Cross Roads in Liberty Township, was eighty-seven year old, and in honor of the day the members of the Libertyville S. S. of the Christian church, of which Aunt Betsey Ann is a member, decided to tender her a dinner and social gathering at her home--she not having fully recovered from the severe spell of sickness which she had last winter. They met on Sunday the 10th and had a very pleasant day. Something over fifty were present; those from a distance were: Mrs. Catherine Hogan of Farmington, Mr. and Mrs. Harvey Lawrence of Fredericktown and Mrs. G. R. Perkins and children of Spott.

The day was spent in good old fashioned style--singing sacred songs, reading scripture and having communion. Several instrumental selections were rendered by Miss Detring and the Perkins sisters.

Besides what the other people brought, the Ferguson sisters had a magnificent display of their own culinary art, among which were lemon pies made from a home grown lemon measuring 14x18 inches in circumference.

Farmington Chautauqua

(Continued from Page 1)

Lecturers will give "The Real Thing", a most suggestive topic, and he is a perfect personification of his subject.

In the evening, the Orchestra will furnish two hours of musical entertainment accompanied by two Opera Singers from Minneapolis, Minn., Mr. Rollin M. Pease and Mrs. Anna Huston who are well known in the highest musical circles in the middle west.

The children's work will be looked after every morning as usual and it has been arranged that a series of "Play Festivals" shall be prepared for the little ones and the younger folks that will furnish them with such amusement and pastime as they will not soon forget.

Everything indicates a Chautauqua of real merit, and it certainly will be appreciated by the people who look upon these five days of mental and moral uplift and physical recreation as something really needed by the people in the summer season of the year.

Resolutions

By officers and members of Federal Bohemian Lodge, No. 294.

Whereas, the Supreme Ruler of the Universe has seen fit to bestow the last gift, the gift of rest, upon our beloved sister, Sadie Elizabeth Homan, who departed this life Thursday, April 30, 1914, therefore, be it,

Resolved, that while we humbly bow to the divine will of God, we deeply mourn the death of our sister; that her kind words and sunny smile will ever be cherished in a grateful remembrance by us.

Whereas, we are again forcibly reminded of the uncertainty of life, and again brought to realize the fact that in the midst of life we are in death.

Whereas, we recognize that our heavenly Father, who directs all things for our good. Has in his wisdom removed from our midst our beloved sister, thereby leaving a vacant place in our circle.

Therefore, we tender our sincerest sympathy to the children and to brother Homan, in this sad bereavement.

Resolved, that a copy of these resolutions be spread on our Lodge records, and our chapter be draped in mourning for a period of thirty days, and this copy sent to our local papers for publication and copy sent to the bereaved family.
